The more time you spend with God, reading His Word, praying, and just thinking about Him, the more you'll know the right thing to say at the right time. God will teach you how to be responsible with your words and offer words that heal and encourage others.

With your parents' permission, go to www.letssaythanks.com to send a free postcard of encouragement to a soldier, sailor, airman, or marine serving overseas.

KNOW that God will help you say healing words.

GOD Time™

Day 2

Read Proverbs 15:23

Week 1 03

After your brother shoots the winning basket he probably enjoys hearing words of praise. But if he misses the shot, he really needs words of encouragement! Picking the right TIME to praise, encourage, and show kindness or appreciation is just as important as choosing the right WORD!

Think of someone you need to "lift up" with your words. Draw hands on the clock to choose a time when you will speak to that person.

ASK God to help you say the right words at the right time.

Day 3

Read Proverbs 25:11

Week 1 03

"You should study for the math test." "Don't talk about your friends behind their backs." "Don't watch the movie if your parents said you couldn't." Giving good advice is like giving a blessing: a good grade on a test, better friendships, building trust with your parents. God has given you the responsibility to share wise words of advice with your friends.

Under the apple, write the name of a friend who needs a word of advice. Will you give it to him or her?
